Dear researchers

We have the pleasure to invite you to attend the **First International Conference of Agriculture, Food and Environment, ICAFE- Korçë 2011** with oral or poster presentation, as representative of your institution /company or as a participant.

The main purpose of the conference is to bring together researchers and scientists interested in making present and discuss the results of their research and thus enable a better transfer of scientific and professional achievements in the fields of agriculture, food and environment. We also want to establish a better cooperation between researchers in universities, research institutions and specialists in these fields, from Albania, Balkans and other countries.

The conference program is going to be organized in the following sections:

1. **Plant Production**
2. **Animal Production**
3. **Agriculture and Environment**
4. **Technology and Food Safety**
5. **Agricultural Economy and Rural Development**
6. **Agricultural Policies and Rural Development**

Materials not included directly in the sections listed and areas pertaining to agriculture, food and environment will be attached to one of the existing sections. Poster presentation will be organized under sections or by grouping the related fields.

Official language

Official languages of the conference are Albanian and/or English. The participants with an oral presentation in Albanian may have the power point presentation in English.
