1	"Dynamic of ascorbic acid of some apple cultivars, during the storage in region of Korça"		ISBN: 978-605-68867-7-5	2018	International Conference on Awareness		
2	Presence of phytoplasma in Voskop plantation, Korçë, determined by the DAPI staining			2018	3rd International Conference on Applied Biotechnology		
3	Localization and surveying of the conditions of some apple cultivars in the district of Korça			2018	3rd International Conference on Applied Biotechnology		
4	Teaching methods and their importance for the creation of professional skills and competences			2019	IV. International Rating Academy Congress, Village institutes and new search in education		5,817
5	Using DAPI staining technique on early detection of apple phytoplasmas in Dvoran plantation			2019	First International Conference on Research, Application and Educational Methods		
6	Evaluation of phytosanitary situation of juniperus excelsa in Prespa National Park, Albania			2019	First International Conference on Research, Application and Educational Methods		
7	Bio-ecological study of the otter population (utra lutra) in the watershed of lake Prespa in the Albanian part			2019	First International Conference on Research, Application and Educational Methods		
8	Analysis of the problems that first-year students face due to the transition from pre-university education system to university (Case of study: first-year students in the Faculty of Natural and Human Sciences)			2019	First International Conference on Research, Application and Educational Methods		
9	The effect of microbial phytase (natuphos) on improving digestibility of nutrients and performance parameters of piglets			2019	First International Conference on Research, Application and Educational Methods		
10	Respiratory tract bacterial infections			2019	First International Conference on Research, Application and Educational Methods		
11	Impact of physical parameters of malt on brewing process optimization			2019	First International Conference on Research, Application and Educational Methods		
12	Physical-chemical Characterization of Drinking Water around a mining Industrial Region in the North of Kosovo			2019	Int. Environmental Application & Science		
13	Using Spent Substrate From Mushroom Cultivation For Methanisation Process			2019	Journal of Environmental Protection and Ecology		
14	Situation Of Wastewater From Food Industry And A Case Study Of Their Treatment			2019	Journal of Environmental Protection and Ecology		
15	Ecological and Chemical Indications for Improving Packaged Food Safety			2019	Journal of Environmental Protection and Ecology		
16	The usage of quantum mechanics of the atom models in teaching chemistry			2019	First International Conference on Research, Application and Educational Methods		
17	Pankreatine pancreas preparation from the swine and veals of the Korça region and study of enzymatic activity			2019	First International Conference on Research, Application and Educational Methods		
18	Using instrumental analysis for determining food authenticity, adulteration and food safety			2019	11 <sup>th</sup> International Conference on Instrumental Methods of Analysis, Modern Trends and Applications		
19	Dairy Waste Water Characterization and Process Simulation for Producing Ethanol from Cheese Whey		ISBN: 978-9951-437-69-1	2018	7 <sup>th</sup> International UBT Conference 2018, Food Science And Technology		

20	Simulation Of The Food Processing Waste Treatment For Cleaner Environment And Bioenergy		ISBN 978-86-7522-060-2	2018	UNIFOOD Conference		
21	Applying simulation techniques for proper treatment method, plant design and economics for some food industrial wastes		ISBN 978-606-35-0238-5	2018	"Environmental Protection" Conference GLOREP 2018		
22	"Preview Of A Controlled Biodegradation Of Pretreated Wastes From Agriculture And Forestry		ISSN 1314-7234	2018	27th International Conference: ECOLOGY & SAFETY, Energy, Climate and Global Security in the 21st Century		
23	Water usage in food industry and wastewater treatment for environmental protection and proper destination,		ISBN: 978-606-598-663-3	2018	International Conferences, Hydrofractals'18, Water 2018, Wsd 2018, Water Across Time In Engineering Research		
24	Process Simulation For The Energetic Application Of Waste Polymeric Materials In Cement Industry		ISBN 978-9989-9371-9-2	2018	VIII-th International Material and Metallurgical Congress,		
25	Application of a process simulation for ethanol production using whey residues from a dairy plant			2018	2nd International Conference on Agriculture and Life Sciences "ICOALS"		
26	"On The Possibility of Using Some Organic Wastes as Alternative Fuels in the Cement Production			2018	EURASIA Waste Management Symposium		
27	"Experiments on biological treatment and process simulation of a food industrial waste"			2018	International Scientific Conference, GREDIT		
28	"An Overview of Cryptographic Attacks"			2018	First International Workshop of RAEM		
29	"Combining Cryptographic Primitives According to Security Metrics and Vulnerabilities in Real Systems"			2018	7th International Conference on Computer Science and Communication Engineering		
30	"Use of ICT in high schools case study: "Korea region"			2018	"Education Across Borders" Education in the 21st Century: Florina, 2018, Challenges and Perspectives"
